

## BENEVOLENT FUND & COMMITTEE

The Shark Tooth Sports Car Club is dedicated to contributing to the community. With input and approval from the Club membership, the committee identifies local organizations in need within the Greater Venice/South Sarasota County community. A monthly award of \$500 is pursued, and efforts are made to leverage gift-matching opportunities to enhance the donation for the chosen beneficiary. Additionally, The Club annually presents a \$1,000 scholarship to a graduating senior from Venice High School aspiring to pursue a career in the automotive field, whether through college or vocational school.

To begin, we warmly welcome you as a new club member and aim to equip you with the necessary information for an enriching experience. The Shark Tooth Sports Car Club is Venice, Florida's foremost sports car club, comprised of passionate car enthusiasts. We take pride in our vehicles and actively engage with our community, as evidenced by our dedicated Benevolent Committee.

New Members are sponsored by a current member.

Dues are \$100 annually, plus an additional \$50 for our Benevolent Fund.

### **ACTIVITIES**

Monthly activities like car cruises, museum visits, trips to special Florida venues, and participation as a Driver for car auctions, among others. Additionally, we organize monthly dine-outs for our members.

### **WEBSITE**

All information can be viewed on our website:  
[www.SharkToothSportsCarClub.com](http://www.SharkToothSportsCarClub.com)

### **REQUIREMENTS**

Each member is assigned the responsibility of occasionally organizing a monthly dinner and event. Adhere to the Club's Code of Conduct, which can be accessed on our website along with our governing documents. Most importantly, stay open to meeting new people and enjoy the experience.

### **BENEFITS**

Club members receive discounts from our sponsors when utilizing their products. Refer to the sponsors listed on the back page for details on the available discounts.

### **DINNERS**

Select a restaurant and establish the reservation for an initial group size of 16-20 people. Please then forward the information to Mary Bimonte for publication. RSVPs will be directed to you. Once you have the final attendee count by the deadline, follow up with the restaurant with the confirmed number. Members can randomly select table seating by drawing numbers from a hat to facilitate mingling. This way, people have the opportunity to meet new acquaintances.

### **EVENTS**

You have the option to select an engaging location, schedule departure times, and identify a suitable lunch stop. Arrange these details on the event sheet and monitor RSVPs. You can also determine whether to organize a caravan to the event or have participants gather there. The choice of making club shirts mandatory is yours. If assistance is needed, feel free to reach out to Mary Bimonte, who is happy to help.
